EDUCATION

Ph.D. in Sociology 2021 – Present
University of California, Los Angeles Los Angeles, USA
Advisor: Jennie E. Brand
Dissertation: Exploring Employment Patterns, Family Disruption, and Gender Inequality
Committee: Jennie E. Brand (Chair), Ian Lundberg, Natasha Quadlin, Wei-hsin Yu, Xiaowu Dai
(Statistics and Data Science)

M.S. in Statistics and Data Science 2021 – Present
University of California, Los Angeles Los Angeles, USA
Advisor: Mark S. Handcock

M.A. in Sociology 2019 – 2021
University of California, Los Angeles Los Angeles, USA

M.A. in Public Policy 2017
University of Tokyo Tokyo, Japan

B.A. in Sociology 2015
Ewha Womans University Seoul, South Korea

RESEARCH INTERESTS

Social Stratification & Inequality, Social Demography, Statistics & Data Science, and U.S. & East Asia

My research examines social stratification and inequality in the context of life course processes and social demography. I develop and apply statistical and machine learning methods to uncover and understand social processes, guided by social theories focused on the U.S. and East Asia.

PEER-REVIEWED PUBLICATIONS

FELLOWSHIPS

UCLA Dissertation Year Award (\$20,000)	2024 – 2025
Donald J. Treiman Research Fellowship (\$6,000)	2023
• A competitive fellowship for population-related research. California Center for Population Research, UCLA	
Kawahara Fellowship (\$8,000)	2021
• A fellowship to develop Japan expertise. Terasaki Center for Japan Studies, UCLA	
Kwanjeong Overseas Scholarship (\$100,000)	2019 – 2024
• A competitive scholarship awarded to Korean students for doctoral research abroad	
Japan Student Services Organization Scholarship (\$6,000)	2015 – 2017
Mirae Asset Scholarship (\$5,000)	2012

TEACHING EXPERIENCE

Instructor	2023, 2024
Summer Institute in Computational Social Science UCLA	Los Angeles, USA
• Lecture on Application of Machine Learning in Social Sciences	
Teaching Assistant	2021, 2023
University of California, Los Angeles	Los Angeles, USA
• Sociology of Gender, Occupation & Professions, Sociology of Education	

RESEARCH EXPERIENCE

Graduate Research Assistant	2024
University of California, Los Angeles	Los Angeles, USA
• Collaboration on the development of methodologies using marginal structural models to estimate the causal effects of employment volatility on socioeconomic outcomes	

WORK EXPERIENCE

Capacity Building and Training Associate	2017 – 2019
Asian Development Bank Institute (ADBI)	Tokyo, Japan
• Organized and drafted agenda for 2018 and 2019 ADBI-OECD-ILO Roundtable on Labor Migration in Asia .	
• Wrote policy briefs, project proposals, presentations, opening and closing remarks and other publications in collaboration with economists and government officials.	

PROFESSIONAL MEMBERSHIP

American Sociological Association (ASA)
Population Association of America (PAA)
International Sociological Association Research Committee 28 on Social Stratification (RC28)
Association of Korean Sociologists in America (AKSA)
Society for Causal Inference (SCI)

INSTITUTIONAL AFFILIATIONS

California Center for Population Research, UCLA
Inequality Data Science Lab (IDS-Lab)

SERVICE

DEI Committee, Mathematical Sociology Section ASA	2024 – Present
Mentor, Mathematical Sociology Section ASA	2023 – Present
Coordinator, Social Stratification, Inequality & Mobility Working Group UCLA	2023 – Present
Organizer, Summer Institute in Computational Social Science UCLA	2023
Coordinator, SIDS-Lab	2021 – 2023
Coordinator, Family Working Group UCLA	2020 – 2022

SKILLS

Programming: R, STATA, Python, and SQL
Languages: English, Korean, and Japanese
